

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

LIST OF CONTRIBUTORS,

With references to the several Articles contributed by each.

Allen, Harrison, M. D. Descriptions of two new Species of Vespertilionidæ, and some remarks on the genus Antrozous.....	246
Buckley, S. B. Notes on some American Ash Trees, (Fraxinus,) with descriptions of new Species.....	2
Descriptions of new Plants from Texas, No. 2.....	5
Descriptions of Plants, No. 3.....	88
Note No. 2. On Quercus heterophylla.....	100
Cassin, John. Catalogue of Birds collected by the United States North Pacific Surveying and Exploring Expedition, in command of Capt. Rodgers, U. S. N., with notes and descriptions of new species.....	312
Conrad, T. A. Descriptions of New Genera, Subgenera and Species of Tertiary and Recent Shells.....	284
Catalogue of the Miocene Shells of the Atlantic Slope.....	559
Cope, E. D. Synopsis of the species of Holcosus and Ameiva, with diagnoses of new W. Indian and S. American Colubridæ.....	60
On some new and little known American Anura.....	151
Contributions to Neotropical Saurology.....	176
On Neosorex Albibarbis.....	188
On Lacerta echinata and Tiliqua dura.....	189
Notes upon some Reptiles of the Old World.....	337
Catalogues of the Reptiles obtained during the Explorations of the Parana, Paraguay, Vermejo and Uruguay Rivers, by Capt. Thos. J. Page, U. S. N.; and of those procured by Lieut. N. Michler, U. S. Top. Eng.....	346
Coues, Elliott. Revision of the Gulls of North America; based upon specimens in the Museum of the Smithsonian Institution.....	291
Supplementary note to a Synopsis of the North American forms of the Colymbidæ and Podicepidæ.....	404
A Review of the Terns of N. America.....	535
Edwards, Wm. H. Description of certain species of Diurnal Lepidoptera found within the limits of the United States and British America, No. 2.....	54
The same, No. 3.....	221
Elliott, D. G. Remarks on the species composing the genus Pediocætes, Baird.....	402

Gabb, W. M. Description of a new species of Cephalopod from the Coast of California.....	483
Gill, Theo. Notice of New Species of Hemilepidotus and Remarks on the Group (Temnistia) of which it is a member.....	13
On the Subfamily of Argentininae.....	14
Appendix to the Synopsis of the Subfamily Percinae.....	15
Notes on the Sciaenoids of California.....	16
Synopsis of the Family of Cirrhitids.....	102
Description of new species of Cirrhitus.....	122
On the limits and arrangement of the Family of Scombroide.....	124
Description of new species of Alepidosauroidae.....	127
On a new species of Priacanthus discovered in Narragansett Bay, R. I....	132
On the West African genus Hemichromis and descriptions of new species.....	134
Catalogue of the Fishes of Lower California in the Smithsonian Institution, collected by Mr. J. Xanthus.....	140
Same, Part II.....	242
Same, Part III.....	249
On a new genus of Fishes allied to Aulorhynchus and on the affinities of the Family Aulorhynchoidae.....	233
Remarks on the relations of Genera and other groups Cuban Fishes.....	235
Notice of a collection of the Fishes of California, presented to the Smithsonian Institution, by S. Hubbard.....	274
Synopsis of the species of Lophobranchiate Fishes of Western North America.....	282
Note on the Family of Scombroide.....	328
Note on some Genera of Fishes of Western N. America.....	329
Synopsis of the Carangoids of the Eastern Coast of North America.....	430
Description of a new generic type of Mormyroids, and note on the arrangement of the genus.....	443
On the Synonymy and Systematic Position of the genus Etelis of Cuvier and Valenciennes.....	445
On the Classification of the Families and Genera of the Squali of California.....	483
On the limits and affinity of the Family of Leptoscopoids.....	501
Gray, Asa. Notes upon the "Description of New Plants from Texas. By S. B. Buckley," published in the Proceedings of the Academy of Natural Sciences of Philadelphia, December 1861, and January 1862.....	161
A Report upon Mr. S. B. Buckley's "Description of Plants, No. 3, Graminae".....	332
Grote, Aug. R. Additions to the Nomenclature of North American Lepidoptera.....	59
Same, No. 2.....	359
Hayden, F. V., M. D. Descriptions of new Cretaceous Fossils from Nebraska Territory. By F. B. Meek and F. V. Hayden.....	21

LIST OF CONTRIBUTORS.

iii.

Horn, Geo. H., M. D. Monograph of the species of <i>Trogosita</i> , inhabiting the United States.....	82
Lea, Isaac. Description of ten new species of <i>Unionidæ</i> of the United States.....	168
Description of a new Genus (<i>Trypanostoma</i>) of the Family <i>Melanidæ</i> , and of forty-five new species.....	169
Description of two new species of Exotic <i>Uniones</i> and one <i>Monocondylœa</i>	176
Description of a new Genus (<i>Goniobasis</i>) of the Family <i>Melanidæ</i> and eighty-two new species.....	262
Description of eleven new species of <i>Melanidæ</i> of the United States.....	272
Le Conte, John L., M. D. Note on the Classification of <i>Cerambycidæ</i> , with descriptions of new species.....	38
Synopsis of the <i>Mordellidæ</i> of the United States.....	43
Notes on the species of <i>Calosoma</i> inhabiting America, north of Mexico...	521
Synopsis of the species of <i>Colymbetes</i> , inhabiting America north of Mexico	521
Note on the species of <i>Brachinus</i> inhabiting the United States.....	523
Lewis, James, M. D. Remarks on some species of <i>Paludina</i> , <i>Amnicola</i> , <i>Valvata</i> and <i>Melania</i>	587
Meehan, Thos. On the Uniformity of Relative Characters between Allied Species of European and American Trees.....	10
Meek, F. B. Descriptions of new Cretaceous Fossils from Nebraska Territory. By F. B. Meek and F. V. Hayden.....	21
Prime, Temple. Monograph of the Species of <i>Sphærium</i> of North and South America.....	28
Slack, J. H., M. D. Monograph of the Prehensile-tailed <i>Quadrupana</i>	507
Stimpson, Wm. Description of a new <i>Cardium</i> from the Pleistocene of Hudson's Bay.....	58
On an oceanic Isopod, found near the south-eastern shores of Massachusetts	133
Tryon, Geo. W., Jr. On the Classification and Synonymy of the recent species of <i>Pholadidæ</i>	191
Description of a new Genus and Species of <i>Pholadidæ</i>	449
Notes on American Fresh Water Shells, with descriptions of two new species.....	451
Monograph of the Family <i>Teredidæ</i>	453
Walsh, Benj. D., M. A. List of the <i>Pseudoneuroptera</i> of Illinois, contained in the Cabinet of the writer, with descriptions of over forty new species.....	361
Warner, John, A. M. Contributions to Organic Morphology :—Containing the mathematical imitation of the egg of <i>Planorbis Corneus</i> and of <i>Epiornis</i> , &c.....	525
Winchell, Alex. Description of Fossils from the Marshall and Huron Groups of Michigan.....	405
